

STUDENT BUS ATTENDANT

Grand Cayman, Cayman Islands

BIG PERSONALITY. KIND HEART. RESPONSIBLE MINDSET.

Come Roll With Us

We're looking for fun, energetic and caring Student Bus Attendants who genuinely enjoy being around kids. You'll be one of the first friendly faces our students see in the morning and part of the crew getting them safely home at the end of the day.

We want someone who can bring good energy to the bus, learn names, have a laugh, build connections and make the ride something kids actually enjoy - while always knowing that safety comes first.

Serious about safety. Not so serious that we can't have fun.
